Designed for outdoor living

Unique architecture featuring a contemporary design created specifically for Queensland's subtropical climate. The design brings the views into the apartments through large seamless indoor-outdoor living areas and spacious undercover balconies and allows for natural light and cross ventilation.

Kelvin Grove is just 2km from Brisbane's CBD and has become a popular destination for those seeking an inner-city lifestyle, QUT's campus and a selection of social venues.

Located in the Brisbane inner-city precinct, the suburb maintains a quiet suburban character within easy access to transport and pedestrian infrastructure, as well as retail amenity.

This includes facilities such as the Royal Brisbane and Women's Hospitals, the Victoria Park Golf Club, Suncorp Market Overview Women's Stadium, Southbank and the Roma Street Parklands.

Kelvin Grove is next to many sought after northern suburb addresses, such as Paddington, Red Hill, Wilston, New Market and Spring Hill.
