

RISE ABOVE IT ALL

Seven Yarra

Living in the new urban heart of South Yarra

Seven Yarra is smack in the middle of a whole new precinct, previously the domain of warehouses and garment factories.

Bounded by Yarra Street, Alexandra Avenue, Chapel Street and Toorak Road, this new urban heart of South Yarra has become a magnet for bubbling new hot spots, like nearby c.c. White café.

Even closer – two doors away along Yarra Lane, to be exact – restaurateur Mauro Marcucci, of Termini and Caffé e Cucina fame, has opened Café Veloce next to Dutton's.

There's nothing quite like greeting the day with the aroma of a true Italian breakfast. Ciao! Buonissimo!
