

What a location... stroll across Beach Road and you will find yourself at the beach, literally!

This large well appointed two bedroom apartment is only one year old and has an abundance of natural light and space. Step into a very spacious living and dining area with air conditioning, heating and access to a private balcony, neutral wall to wall carpet, a very practical and tastefully designed open plan kitchen with stone bench tops, twin sink, built in fridge and plenty of storage space.

There are two well proportioned bedrooms, the master is huge with walk in robes and an ensuite with separate shower and separate bath. There is a central bathroom also with shower and bath plus a separate laundry room.

In addition step upstairs to a huge and very private roof top decking with spectacular district views; a perfect space to entertain or relax on a balmy evening.

Convenient security car park for one car with plenty of on street parking for additional cars, lift access from the ground floor to the apartment, air conditioning. Nestled between many cafes and shops and Black Rock beach.
